13)

Copy of D. O. letter No. nil dated 22nd September 1918 from the Sub Division Officer Nanjangud to the Deputy Commissioner, Mysore District.

Your kind note to hand. I received a telegram from the Collector which was awaiting my arrival here. Immediately I sent copy to Amildar, Gundlupet and asked him to allow the quantity of grains passed by me. I remember having passed 350 pallas of ragi and 150 pallas of rice last Thursday. The merchants played a trick. They sent awav their carts and then came to me for license. - Evidently as they had loaded more than the passed quantity the carts seem to have been detained as I sent the Police Inspector to see if larger quantity than was allowed was being taken. I have not yet received any reply. I shall go there to-day if necessary and see what the matter is and allow only the licensed quantity. From the quantity passed by me you will see that we have been very liberal in the - issue of license. It is the merchants that play trick and cause the worry by taking more quantity without license. I have asked the Amildar yesterday not to allow carts to go in advance hereafter but to hand over the pass only on seeing the quantity in carts.
